# Welcoming All as Christ

## 2026 STEWARDSHIP RENEWAL

# Welcoming All as Christ

At the heart of stewardship is the call to recognize every person as a gift. Jesus' words — "I was a stranger and you welcomed me" (Mt 25:35) — are not simply a reminder to be kind; they are an invitation to see Christ in others and to respond with love. Hospitality is the first step in building a parish where people stay, grow, and thrive. It creates an environment where strangers become friends, and everyone knows they have a place.

This year's Stewardship Renewal theme, ***Welcoming All as Christ***, invites us to move beyond surface-level friendliness to genuine spiritual welcome. True hospitality is not reserved for a small group of volunteers — it is the responsibility of the whole community. It is how we create a parish that is not only friendly, but deeply Christlike.

In the following pages, you are invited to reflect on how you can live stewardship through your time, talent, and treasure, allowing each to flow from a heart that welcomes others as Christ.

# Stewardship of Time

To welcome others well, we must first make room for Christ in our own lives. Time spent with the Lord in prayer helps shape our hearts and sharpens our awareness of those around us. When prayer and presence guide our days, hospitality becomes less about effort and more about instinct.

## Ways to offer your time in hospitality include:

- Spending a few extra minutes after Sunday Mass introducing yourself to someone you do not know.
- Inviting a new parishioner or family to coffee after Mass or a meal during the week.
- Attending a parish event you have never participated in, simply to be present and meet others.

Time given to building relationships is never wasted. It lays the foundation for a parish where people feel known, valued, and welcomed.

# Stewardship of Talent

Each of us brings unique gifts, personalities, and life experiences to the parish community. Whether outgoing or reserved, hands-on or behind the scenes, every person has something to offer that helps others feel they belong. Hospitality flourishes when we offer who we are in service to others.

## Ways to share your talents include:

- Serving as a greeter, usher, or member of a welcome team at weekend Masses.
- Assisting with newcomer outreach, hospitality spaces, or parish communications.
- Participating in ministries that connect with individuals one-on-one, such as bereavement, mentoring, outreach, or meal ministries.

When we use our talents to create connection, we extend the welcoming heart of Christ to those around us.

# Stewardship of Treasure

Our financial gifts help create the spaces and opportunities where hospitality can take root — from maintaining welcoming worship spaces, to supporting parish gatherings, to funding outreach efforts that extend beyond our walls. Hospitality has practical needs, and generosity makes them possible.

A helpful guide is the biblical tithe — giving 10% of one's income in gratitude to God. A common approach is:

- 4% to your parish
- 1% to the diocese
- 5% to other charitable causes

Giving generously helps ensure that our parish is not only open, but warm, inviting, and ready to receive all who come seeking Christ.

Luke 18 is a three-day retreat that focuses on inviting young people to open themselves to God; we strive to welcome young people into the Church to help them better understand who they are as beautiful and unique members of the Body of Christ. The retreat emphasizes the Sacraments, prayer, the gifts of the Spirit, Saints, the wonderful Tradition of the Church, and authentic Catholic identity. Talks and activities are woven together in a fashion that allows youth participants to engage in faith formation in a truly exciting way. One unique aspect of this retreat is that senior high youth are very active in the planning and executing

process, so that junior high youth can grow in their faith with peers who have recently experienced the same situations in life. Our mission is to enable young people to walk away from this experience more zealous about their faith and filled with a greater knowledge and love of God.
